Process for Non-Resident Membership Applications
Students should bring completed applications to the Office of Residential Academic Initiatives. Applications are forwarded for review to the executive board and Faculty Chair of the residential college. Each college has its own review process, which may involve a meeting with the applicant or submission of additional information. At a minimum, applications are reviewed at weekly executive board meetings. Upon a decision by the college, the Office of Residential Academic Initiatives will notify the applicant of the outcome and, in the case of yearly membership, next steps regarding front door fob access.

Payment of Non-Resident Dues
Annual and quarterly dues will be charged to the applicant's term bill after approval of non-resident membership by the residential college.

Schedule of Pro-Rating Quarterly Dues
There is no pro-rating of annual dues because students receive access privileges to the building. For quarterly dues, the following schedule of pro-rating applies:

- First day of classes until start of pre-registration for the next quarter: 100%
- Start of pre-registration for the next quarter until WCAS reading period begins: 50%
- After WCAS reading period begins: 0%
