- Based on the national power grid, Eskom may change or suspend the loadshedding stage at any time.
- If loadshedding does not occur in your area as indicated on the current schedule, it does not mean you will be excluded next time.
- If you are in areas 17 - 23 or an unshaded area, then view your schedule at this web address: [www.loadshedding.eskom.co.za](http://www.loadshedding.eskom.co.za)
- If power is not restored at the allocated time, please report this SMS 31220
- Electricity is needed to power certain city functions e.g. water reservoir pumps, sewage and drainage. Please use water sparingly during loadshedding periods.
