

IAKOVLEV ANDREI

Department of Economics
aayakovlev@u.northwestern.edu

RESEARCH INTERESTS

Mechanism design, Information design, Noncooperative Game Theory, Behavioral Economics.

EDUCATION AND ACADEMICS

Moscow State University *2014 - 2018*
Bachelor of Science, Physics (with honours)
Department of Theoretical Physics

New Economic School *2018 - 2020*
Master of Arts, Economics (Cum Laude)

Northwestern University *2020 - present*
Ph.D., Economics

HONORS AND AWARDS

- Winner of the first stage of the Russian student engineering tournament "Engineering cluster", 2016
- Winner of the Russian tournament in constructing spacecrafts "Orbita", 2017 (Team "Polynom")
- Foundation for the Advancement of Theoretical Physics "BASIS" scholarship winner (2017)
- B.S. diploma with honors (MSU, 2018)
- Alexandrov scholarship winner (2018)
- Peter Aven's scholarship winner (2019)

EMPLOYMENT EXPERIENCE

National Research Center Kurchatov Institute *2017 - 2018*
Research assistant
High harmonic generation, Research

NES CDSDI *2019 - 2020*
Research assistant
Research

CONFERENCE PARTICIPATION

- XXV International scientific conference of students and young scientists "Lomonosov", 2018 (speaker)
- The IV International Conference LaPlas-2018, 2018 (speaker)
- XV Kurchatov multidisciplinary youth scientific school, 2017 (speaker)

- Progress In Electromagnetics Research Symposium (PIERS 2017 in St Petersburg), 2017 (speaker)
- XXIV International scientific conference of students and young scientists "Lomonosov", 2017 (speaker)
- XIV Kurchatov multidisciplinary youth scientific school, 2016 (speaker)
