

Dear Future CCSers,

Congratulations on your acceptance into Northwestern and welcome to the College of Cultural and Community Studies (CCS). My name is Emma Smith, and I am the president of CCS for 2023-2024. I, along with the rest of the executive board, am excited to welcome you to our community and your new home in September. While you await move-in, make sure to check out the CCS website and Instagram to learn more about CCS. Also, please

[Join the CCS GroupMe for 2023-2024.](#)

CCS is a small but vibrant community of like-minded people committed to expanding our world view by learning about the various cultures in Northwestern and in the wider communities of Evanston and Chicago. We are housed at 2303 Sheridan rd. and share our building with Green House, the special interest housing for environmental sustainability. We have some of the nicest facilities on Northwestern's campus that are conveniently located near Technological Institute (Tech) and Sargent dining hall. In CCS we love spending time with each other often snacking and playing games, and we are excited to have you join us soon!

If you have any questions about CCS or Northwestern in general, feel free to reach out to me at [emmasmith2026@u.northwestern.edu](mailto:emmasmith2026@u.northwestern.edu) or any of the other exec board members listed on the following page.

Sincerely,

Emma Smith

President of CCS
