## Adding/Inserting a New Section

To add a new module to your page, please select the page you would like to edit and then navigate down the Divi Builder Layout. To add a new module, select the "**Insert Module(s)**" option in the grey box. We have marked this option in gold in the image below.

D The Divi E	^↓ <u>~ ~</u> ~		
Save to Library	Load Layout	Clear Layout	5 C 5
		Text	×
		Accordion	×
		Gallery	×
$\times$	H Insert Module(s)		
+ Add	Row		

\*Make sure that if you insert a new module, you also click save and exit before you leave the editing screen.

Accordion Module Settings				
Content Design	Advanced			
	+ Add New Accordion Item			
Link				
Module Link URL:				
	When clicked the module will link to this URL.			
Module Link Target:	In The Same Window			
	Here you can choose whether or not your link opens in a new window
